Subject: ACTION REQUESTED FOR LEAG - - LEAG Mission and StructureDocument

Final LEAG Mission
and Decislo...

Lead Entity Coordinators:

Attached please find the LEAG approved Mission and Structure document, which was approved with minor changes at the last LEAG meeting in April.

Next steps?

Each lead entity coordinator will appoint a LEAG representative and alternate to attend the LEAG meetings. Please come to the LEAG meeting in June with your designated representative and alternate.

Existing LEAG members will continue their positions to term in the new Executive Committee structure. We will have four vacancies on July 1st. Please put some thought into nominations. The Executive Committee members must include one member from each of the four areas across the state (Coast, Puget Sound, Columbia Basin and Northeast).

Any last minute thoughts or concerns regarding approval of the new LEAG Mission and Structure document should be directed at Jeanette Dorner, LEAG chair.

Thank you-
Looking forward to seeing everyone on the 19th!
